Cicero-North Syracuse

Title of Program \*

The Sandman

Pre-performance credits

The Northstars winter guard is proud to present their 2020 program “The Sandman” using the songs “Mr.Sandman”, “Sweet Dreams” and “Dreamscape”.

The Northstars are the intermediate level guard for the Northstars Winterguard family which also includes guards in the Regional A class and Scholastic World class. Our goal is to build and improve skills of the students as they progress through the Northstars winter guard system while providing thoughtful and entertaining shows for the audience.

The guard has a long history of success and the members of this year’s guard are working hard to continue this tradition of excellence which includes winning gold medals at the Mid-York or Northeast Circuit Championships in 2017, 2011, 2010, 2009, 2007, 2003, 2002, 1994, 1980, 1978 and 1976. The guard has been a semi-finalist at the WGI Championships several times.

The Northstars would like to thank administrator Timothy Bednarski for his support of the winter guard program. We would also like to wish the Northstars Junior and Northstars Scholastic World teams the best of luck tonight and throughout the season..

Sponsoring Organization

North Syracuse Central School district

Director

Larry Schmidt
