Pre-performance credits

The Westmoreland Varsity guard would like to first start out by thanking the wonderfully devoted parents (and grandparents) that have volunteered their time to help make our season one to remember. The entire guard and staff will never be able to fully thank you for all that you have done and continue to do. Another big thank you to the Westmoreland Central School district for their support of our students in pursuing their passions and dreams. This season, the Varsity Guard is proud to present their program "Fire and Ice". The most powerful forces in the universe are both stunningly beautiful and terrifyingly destructive. No struggle dates back farther than the battle between fire and ice. Both have the power to captivate and devastate all that come into contact with them. But which one will win out in the end? After all, "some say the world will end in fire, some say in ice..." What do you say?
